THE RIGHT EQUIPMENT WHEN AND WHERE YOU NEED IT.

AN EFFICIENT LONG-TERM PARTNER

Whether you know what's coming or need to scramble, we have you covered. Milton Rents is the one supplier for all your equipment rental needs, so you can stay focused on keeping things moving.

- Late-model, low-hour equipment
- Daily, Weekly, Monthly, Long-Term Rentals
- Local know-how and equipment expertise
- 16 locations across New England and upstate New York

A SOLUTION FOR EVERY JOB

Top-tier CAT® machines at affordable rental rates, plus a select assortment of leading brand aerial lifts, generators, compactors, and more, mean you have access to the best of the best, so you can always deliver your best work.

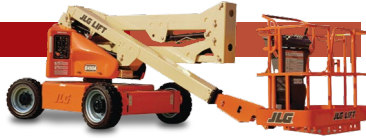

LOCAL INDUSTRY KNOW-HOW

We not only understand CAT® machines, but jobsites as a whole, how they operate, and how each type of machine or small piece of equipment needs to work together to complete the tasks at hand.

THE RIGHT EQUIPMENT WHEN AND WHERE YOU NEED IT.

At Milton Rents, we pride ourselves in our ability to provide you with the right equipment, when and where you need it.

We are a family-owned, independently run business offering leading brands, and the only dealer to rent the largest inventory of Caterpillar equipment in New England and Upstate New York.

We know your time is valuable, and that how you show up on the job matters. And because of that, we keep it simple. Our goal is to deliver unmatched industry expertise and support, and jobsite solutions that make your business shine. Because projects can be complex, but we're not.
